To Whom It May Concern,

Subject: Confirmation of Field Visit to Spydo Genesis Incorporation Pvt Ltd

This is to certify that a group of students from **Virinchi College**, accompanied by their faculty, visited our office at Shantinagar-06, Kathmandu on 15th December as part of their educational field visit program.

During their visit, we provided the students with an overview of our company's work culture, processes, and methodologies. The session included insights into the following:

- Work Culture: How we foster collaboration, innovation, and professional growth within our teams.
- CMMI Models: An introduction to Capability Maturity Model Integration (CMMI) and its role in enhancing our software development processes.
- Software Delivery Lifecycle: A detailed walkthrough of our process, starting from gathering initial requirements to delivering a complete, client-ready software solution, including quality assurance and post-deployment support.

We were pleased to host the students and share our experiences with them. It was encouraging to see their enthusiasm and interest in understanding real-world industry practices.

Should you require any additional information or documentation regarding the field visit, please feel free to contact us at **official@spydogenesi.com**.

We wish the students great success in their academic and professional endeavors.
